NOTIFICATION OF CHANGE OF STATUS
FROM SMALL ENTITY TO LARGE ENTITY
PURSUANT TO 37 C.F.R. 1.27(G)(2)

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir or Madam:

Please be advised that this application is no longer entitled to small entity status. While the change of status occurred on May 31, 2008, when a Notice of Appeal and Petition for Extension of Time were filed on July 1, 2008, the fee paid for extension of time was in the small entity amount. Similarly, when an appeal brief was filed on July 21, 2008, the fee paid was in the small entity amount. The M.P.E.P. provides:

Once small entity status is established in an application or patent, fees as a small entity may thereafter be paid in that application or patent without regard to a change in status until the issue fee is due or any maintenance fee is due. 37 CFR 1.27(g)(1). 37 CFR 1.27(g)(2) requires that notification of any change in status resulting in loss of entitlement to

small entity status be filed in the application or patent prior to paying, or at the time of paying, the earliest of the issue fee or any maintenance fee due after the date on which status as a small entity is no longer appropriate.

M.P.E.P. § 509.03(VII). In view of the foregoing, upon payment of the issue fee—
unless circumstances change—it will be paid in the large entity amount. If the Office is
of the view that additional fees are due at this time, please advise and they will be paid
promptly.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
